

## **BUS DRIVER EVALUATION**

### **Background**

The Director of Transportation or designate may accompany a bus driver on their entire route for the purpose of ensuring student safety.

### **Procedures**

1. Periodically, or as deemed necessary, the Director of Transportation or designate shall accompany the bus driver on their entire route to evaluate bus driver performance.
2. The Director of Transportation or designate shall keep a written log of each occasion when accompanying a bus driver and shall, relative to each bus driver/trip, make written comments with respect to the bus driver's performance, passengers' deportment, route conditions, etc. and review results with the bus driver.
