Calendar 2024-25

The Board received initial information on the process to develop the 2024-25 calendar. There was a survey to families, staff and grades seven to 12 students that recently closed to gather feedback about the next year's school calendar. The BRSD calendar committee will review and develop a calendar to present to the Board in January.

Student Success

At the Board meeting, Sparling School teacher, Roxy Rybalka, and students, Knox and Elijah, presented on meal preparation and literacy intervention initiatives that they assist with.

Through school council, the students have their own coffee and hot chocolate service where they take orders and deliver to school staff and students. The Board was thankful for delicious hot chocolate prepared for Board members by the students.
